

Feature: Submit the TestLeaf trial form

Scenario Outline: Successful submission of the trial form with valid details

Given I open the TestLeaf trial form page

When I select "<Program>" from the Program Interested dropdown

And I type "<Name>" into the Name field

And I type "<Email>" into the Email field

And I type "<Mobile>" into the Mobile Number field

And I click the Apply Now button

Then I should be redirected to the thank-you page

Examples:

Program	Name	Email	Mobile	
"AI for Freshers"	"Arun Kumar"	"arun.kumar@example.com"	"9876543210"	
"Selenium"	"Lakshmi Nair"	"lakshmi.nair@example.com"	"9123456789"	
"AI for Freshers"	"Ravi Chandran"	"ravi.chandran@example.in"	"9988776655"	
"Selenium"	"Meena Reddy"	"meena.reddy@example.in"	"9765432109"
